## Price List Dog Walking & Play

### Dog Walking

A 15 or 30 minute walk around your local neighborhood or park on a leash with plenty of 'sniff stops' and water provided! We even take photos of your furry friend as they walk & will email you directly after our visit to show you they are safe and well.

### Backyard Fun!

Alternatively we can exercise your dog in the comfort of their own backyard! We play their favorite games and give them a good run around & bathroom break of course plus top up their water and any food provided.
